The date following the college abbreviation indicates the graduating class.

The first club following a name indicates where letters may be sent.

Club abbreviations, not included in the above list, refer to Washington, Philadelphia, Chicago, Boston, Providence, St. Louis, Pittsburgh, Cleveland, Cincinnati and Dayton, St. Paul and Minneapolis, San Francisco, Baltimore, Buffalo, or Southern Cities Clubs, to distinguish which is added respectively the letters *w*, *p*, *ch*, *b*, *pv*, *sl*, *pt*, *cl*, *cn*, *sp*, *m*, *sf*, *bl*, *bf*, or *so*.

Dilatory } should be consulted first under front cover of
omociles } this book for all changes. If the name be not found there,
it is correct in the main book.

Changes of address will be inserted, without charge, in
“ **D**^{ilatory}_{omociles} ” which are sent *only* to subscribers for the year.

Owing to the many inter-marriages among the families in the various Social Registers, and the constant changes from one city to another, the Locator has become so essential that, beginning with this year, it will conform in size to the Social Register, and, although its price when sold separately will continue at \$5.00, it will be included for \$7.50 with the usual \$5.00 subscription for the year.

The Locator contains in the one alphabetical order every name appearing in all the various Social Registers with the family's head under which it may be found and the city in which the name may appear. It is a complete catalogue of every name in all the Social Registers.

The Social Register of each city will appear in November with **D**^{ilatory}_{omociles} in December, January, February and April; and the Summer Social Register, with *country* and *foreign* addresses of all the cities combined, will be issued in June, with **D**^{ilatory}_{omociles} in July.

They will record the full names and addresses of members of prominent families grouped together, the clubs to which they belong, and the marriage, death and European arrival and departure of each person as it may occur.

The names of Juniors { **M**^{isses} 12 to 17 }
 { **M**^{rs} 14 to 20 } appear under the
names of older members of their families.

A subscription of \$30.00 will include all the issues for New York, Washington, Philadelphia, Chicago, Boston, Providence, St. Louis, Pittsburgh, Cleveland, Cincinnati & Dayton, St. Paul & Minneapolis, San Francisco & Oakland, Baltimore, Buffalo and Southern Cities from Richmond to Atlanta and the Locator.
